**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I get superb internet service at a great price through a CLEC named Sonic.

Comcast and AT&T are the only other choices. Comcast is the 2nd most-hated corporation in America (after Monsanto (now Bayer)). They earned this through horrible customer service and lots of renewal shenanigans and contract scamming. AT&T provides terrible customer service as well. They were completely unable to diagnose problems when I lived briefly where Sonic was unavailable.

Competition is a good thing. Please don't victimize us by institutionalizing monopoly from big corporations with no customer service vision!
